

Imaging Methods Core Facility (IMCF) at BIOCEV

Electron microscopy price list from 1.4.2026

Academic rates include Czech-BiolImaging support.

VAT is charged for external payments based on the country of the payer.

Academic prices (internal vs. outside Charles University) are based on the payment account (VAT number), not on the affiliation of the user.

Measurement modality	Price per hour in CZK (without VAT)		
	Full Cost (industry)	Academics	
		internal CU invoice	invoice to outside CU
TEM (without assistance)	1668	471	589
SEM (without assistance)	1723	483	603
FIB-SEM (without assistance)	3137	322	403
FIB-SEM (without assistance) long autorun (>20 hrs)	1568	161	201
Microscopy expert assistance/data analysis ^[1]	877	368	460
Sample preparation and processing ^[2]	on request	on request	on request

[1] Instrument operation, measurement, data analysis or assistance as a service (requested beyond standard training and user support).

[2] These costs vary significantly, depending on complexity and scale of an individual project, so as on type and amount of samples and on specific tools, methods and workflows applied for the analysis. Cost estimate is provided on request upon detailed assessment of a project proposal submitted by the user.

General

The authors acknowledge Imaging Methods Core Facility at BIOCEV - a member of Czech-BiolImaging (national infrastructure supported by MEYS – LM2023050 grant) and Euro-BiolImaging ERIC (European Research Infrastructure) for their support & assistance in this work.

Specific

We thank X.Y. from Imaging Methods Core Facility at BIOCEV - a member of Czech-BiolImaging (national infrastructure supported by MEYS – LM2023050 grant) and Euro-BiolImaging ERIC (European Research Infrastructure) for... [here please specify, e.g. "for sample preparation and their support with FLIM and cryo-TEM data acquisition"].
